

ANNUAL REPORT 2024-25

“Together we can; we will”

“उत्तिष्ठत जाग्रत प्राप्य वरान्निबोधत।

क्षुरासन्नधारा निशिता दुरत्यद्दुर्गं पथस्तत्कवयो वदन्ति॥”

अर्थ - उठो, जागो, और अपने लक्ष्य को प्राप्त करो। तेरे रास्ते कठिन हैं, और वे अत्यन्त दुर्गम भी हो सकते हैं, लेकिन विद्वानों का कहना है कि कठिन रास्तों पर चलकर ही सफलता प्राप्त होती है।

“Together let us desire, conceive, and create the new structure of the future, which will embrace architecture and sculpture and painting in one unity which will one day rise towards Heaven from the hands of a million workers like the crystal symbol of a new faith.”

It is the changes that we all go through our lives that constantly improve us, and with Maya Angelou’s words portraying this thought in the most dazzling way possible, I would like to wish you all a very pleasant evening.

I take immense pleasure to present the annual report of our school to apprise you all, how the mission and philosophy of LOVE DALE CENTRAL SCHOOL have materialized positively in the day to day working of our school, in the voyage of the discovery of excellence in the field of education.

This year has been a very eventful one for us. We have made great efforts to transform ourselves completely into the CBSE's updated scholastic format and have been extremely successful in most of our endeavours. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our institution should carry forward the values they have inherited, excel in whatever they do and be the role models in the society.

In LDCS we believe that every individual has a lot of potential, and that potential can help accomplish wonders. That is why, it is fair to say that we thus believe that the future of the world starts here. The session 2024-25 was a great year, and I consider it a moment of pride to showcase to you all the achievements and development that the school, staff and students undertook.
